Allowable Subject Matter

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach a linearizer comprising inter alia an adaptation controller, the adaptation controller receiving M monitor signals and operable for determining M uncorrelated adjustment settings using an inverted signal correlation matrix having components of measured pairwise bandpass correlations between the M monitor signals.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
